WORKING TOGETHER THROUGH THE WHOLE LEARNING JOURNEY

Assalamu Alaikom Warahmatullah Wabarakatu

Dear Alfirdaus Family,

Alfirdaus College warmly welcomes back all our amazing students and families to resume face to face classes for Term 2 2020 Insha'Allah. We are delighted to have everyone back at our centres, eager to resume their learning journey. Although we have experienced a slight delay in our learning due to the COVID-19 restrictions, we would like to assure you that your child's learning progress and well-being is our main focus.

All students will be supported during this term; our academic team will be working hard to ensure your child/ren integrate back into classes while helping them feel comfortable and safe. We will be conducting regular assessments with the students to ensure they are meeting the learning outcomes and will provide additional in-class support if required.

Parents and teachers working together is the key to our students' success Insha'Allah. We invite you to engage and discuss your child/ren's progress. Due to Covid-19 precautions, the best way to communicate with staff is to leave a message with the Centre Manager for your child/ren's teacher or Head Teacher to contact you by phone.

Keeping people safe and healthy is EVERYONE'S responsibility

To ensure we do what is right legally and Islamically, we kindly ask that you adhere to the following precautions and discuss these with your child/ren to ensure they are understood.

Please call your centre if you have any questions or concerns.
We sincerely and eagerly anticipate the return of all the students.

Jazakullahu Khayrun
