The Adults Advanced Arabic program is aimed at students who are confident in their Arabic language ability but want to reach the next level by gaining technical ability in Nahw, Sarf and Balaghah. Study of the intricacies of the Arabic sciences opens up doors for deep Quranic and Shariah studies. Special care is given to the advanced students as the future teachers and duat of our community.

The program will include a thorough study of the following texts:

دورة الإعراب للمبتدئين

متممة الأجرومية

الصرف الصغير

زبدة البلاغة

The year will culminate in a study of selected passages from Tafsir, implementing what has been learnt.

The classes are only two contact hours per week, but homework and revision will be assigned.

Separate classes are available for men and women.
