

Quick Facts

Target age: 16+ years old

Length of class: 2 hours

Frequency: Once a week

Duration: 10 weeks per term;
4 terms a year

Pre-requisites: At least one year of Arabic studies, or equivalent reading and speaking ability. Students will be assessed on application.

The Adults Intermediate Arabic program is aimed at students who already have Arabic language ability but are not confident. By focusing on increasing the quantity of comprehensible input, the program aims to make students confident in their Arabic ability.

The program revolves around speaking activities, in-class listening and reading. Students will also memorise a short book of ahadith on adhkar and manners.

The program is only two contact hours a week, but students are guided to listen, read and speak Arabic throughout the week (~2.5 hours). Accountability is provided to ensure student progress.

Separate classes are available for men and women.
