

POSSIBLE CHANGES AS WE SETTLE IN

Assalaamu Alaikum Parents/Guardians,

We hope this letter reaches you in the best of faith and health.

Our goal is to ensure that every student is able to read, memorise and understand the Holy Quran, and be personally and spiritually transformed by its teachings.

On behalf of the staff and teachers at Alfirdaus College, we welcome back all our returning students and are pleased to have all our new students in our environment.

We know a strong partnership with you will make a great difference in your child's education at Alfirdaus College. We aim to regularly communicate with you to inform you of changes and expectations.

At the beginning of every year, it is common to have some changes to student classes and teachers as we make adjustments to classes based on student levels.

We are expecting more changes than usual due to the impacts of COVID on our students learning progress. Some students chose to continue online classes whereas some did not. This would have impacted their level. It may take a few weeks in the beginning of the term to shift students into the right class.

We are currently in the process of re-assessing all our students to ensure they are placed in the right classes. We do this to achieve one of our goals, which is quality education and a positive Islamic learning environment.

Teacher changes are also expected due to the fast spread of COVID. If a teacher has COVID symptoms or has COVID, they will not attend class until they recover. We kindly ask that you are patient as we get students all settled in to the correct class level in 2022.

We apologise for any inconvenience caused, aligning students into the correct level is part of the process of achieving quality education.

If you would like to discuss this further, please talk to your Head Teacher at your child/rens centre or contact us on (02) 9791 6777 or email us at info@alfirdaus.com.au

Once again, welcome to Term 1, 2022! We look forward to a great year of improvements in your child's Islamic education insha-Allah.

Kind Regards,

Mazen Fahme
Principal
