

16th March 2023

Assalamu Alaikum Parents/Guardians,

We hope this letter reaches you in good faith and health. Ramadan Mubarak to you and your family, may this be a blessed month.

As you are aware, your child/ren are required to purchase a book that corresponds with their level of learning.

We are writing to inform you of an important change to our book prices. Due to continuous rising costs in design, development and printing over the last five years, we have made the difficult but necessary decision to raise book prices from \$15 to \$20.

The new price will be in effect from Term 2, 2023. A letter outlining which new book your child/ren needs to purchase for the new term will be sent after Ramadan.

We apologise for any inconvenience the new price rise may cause. If you have any issues purchasing a book for your child/ren, please let your centre know.

If you would like to discuss this letter further, please do not hesitate to contact us on (02) 9791 6777 or send an email to info@alfirdaus.com.au.

Kind Regards,

Management
Alfirdaus College
